The screenshot displays the Timetoast website interface. At the top, the logo "timetoast" is visible on the left, and navigation links for "Public timelines", "Sign in", and a "SIGN UP" button are on the right. The main heading reads "Make timelines, share them on the web". Below this, a sub-headline states "Timetoast is a great way to share the past, or even the future... Create timelines in minutes, it's as simple as can be." and a "CREATE YOUR ACCOUNT" button is present.

The featured timeline is titled "The Victorian Era" and is created by "VictorianEnglish". It shows a horizontal timeline with several event markers. Three specific events are highlighted with callout boxes:

- 20 Jan 1836, The Pickwick Papers
- 30 Jan 1836, First photograph taken
- 28 Mar 1837, Oliver Twist

The timeline axis at the bottom is labeled "1 Jan 1832 - 31 Dec 1901 The Victorian Era".
